

We Love SEO is back!

Join us on December 5, 2024 for a virtual summit that brings together search marketing professionals from all over the world.

After a short hiatus, the highly anticipated [We Love SEO](#) conference is back! In 2023, we made an intentional and thoughtful decision to go on hiatus in order to refocus and restructure the We Love SEO event to better reflect the changing SEO landscape.

The 9th edition of We Live SEO will take the shape of a **full-day digital event** composed of real-life case studies, roundtable discussions and keynote speeches.

What to expect for this edition of We Love SEO?

Join hundreds of fellow search marketers at We Love SEO on **December 5, 2024**. Tailored for **SEO professionals and marketers** who are looking to learn and grow in their fields, you're guaranteed to walk away with tips for SEO best practices, actionable content marketing advice and the keys for a successful SEO strategy.

Originally created by Oncrawl in 2014 as a way to address the lack of events dedicated to SEO in France, over the years, the event has become increasingly popular and has taken on an international dimension.
